In another of His little stories, Jesus says that there are also a lot of trees growing in the Big Messy Garden that we see on Earth.

Now of course there a lot of regular trees in our world, like oak trees and pine trees and all the rest. There are also lots of pear trees, peach trees, orange trees,

and many other kinds. There are a lot of nice trees in the world.

The one kind of tree we don't have around anymore is the Tree of Life. Nobody has seen that one anywhere on Earth in all the years since Adam and Eve got tricked by the Devil and fell into sin.

But Jesus says that all the grown-ups on Earth are like trees too. Jesus says

that some of the grown-ups are like good trees that have a lot of fruit on them, but other grown-ups are like bad trees that are dry and all dead inside, and those bad trees have never grown any fruit.

Jesus says that the grown-ups have to be careful to have fruit, so that God will choose to take those people to Heaven, and so that He will some day re-plant

them in the New Garden that He will make. That happens when Jesus comes back to Earth again, to get rid of the Ugly Old Garden. Some day Jesus is going to get remove the Ugly Old Garden from the Earth, and replace it with the New Garden that God wants us to have.

\*

Jesus also tells a story about how all the bad trees will be burned up with fire.

5

Jesus says the trees that never had fruit are only dead wood, dried up and worthless. And Jesus says that God will cut down all the bad trees and throw them into a furnace where they will burn forever.

He's talking about Hell, a place where all the bad grown-ups will be sent. All the bad grown-ups in the world are like bad

6

trees that God wants to take out of His garden. They are kind of like weeds that need to be pulled out of the world and gotten rid of.

You may have heard about some of the bad things these grown-ups are doing in today's world, if you have ever looked at a newspaper or a television or the internet.

Jesus talks a lot in his stories about Hell, something that only grown-ups have to worry about.

A person has to hate God's Holy Spirit and say "no" to God before they get sent to Hell, and little children just never do that. So children don't have to worry about Hell.

But Jesus says that all the grown-ups do need to worry about it. God says in the Bible that grown-ups need to be as innocent as Jesus and as little children... or they may go to a horrible place of suffering called Hell.

\*

Jesus says it's a place of "Outer Darkness," where there will be lots of

crying and lots of grown-up people feeling sorry about all the bad things they did.

That's what happens to all the bad trees in the Big Messy Garden... all the bad grown-ups who hurt people and did bad stuff. Those are the trees that never had any fruit, the ones made of dead wood, all dried out and worthless. They get burned

up in the furnace of Hell, and they will be forever cut off from God's New Garden.

Those bad grown-ups are going to be kept away from God and Jesus forever. Jesus doesn't want to ever have to see them again, so He gives them what He calls "the place where they belong." Judas is there too.

It's kind of like a special place for them. I guess you could call it a Forever Bad Garden for all the bad grown-ups. It's a place where they will live forever in Darkness, where they will never again have a chance to see the Light of Jesus Christ.

I guess they will wish they could be innocent again, won't they? But by then it

will be too late for them. It's too late then for those grown-ups to be sorry about the bad lives they had on Earth. It's too late then for them to even start believing in Jesus, so they can never change. Those grown-ups go to Hell because they were never made innocent by the blood of Jesus— so they can never go back to being the innocent little child that God wants us to be.

But all little children who die early are like Enoch, very much loved by God. They get to become seedlings in God's New Garden.

The New Garden of God is to be lighted by the Light of Jesus. He is the Sun of Heaven and the Light of the World, the Holy One who gives warmth and strength

to all the plants and trees in His New Garden.

All this happens when Jesus makes the New Earth that He has promised for us. The New Garden is going to be a really wonderful place.

What's great is that no one who lives there is ever sick or sad anymore. There's no more suffering or sickness, no

more pain, and no more crying. There's no more hurting in God's New Garden... and there are no more tears. Nobody ever gets tired of living there, because it's such a wonderful place.

So the answer to your question is: Yes, all kids go to Heaven when they die. That's happy news, isn't it? But there's more good news...

Grown-ups can go to Heaven too, if they are just as innocent and trusting as little children. And when they trust in Jesus as Savior and Lord, that is just how God The Father in Heaven will see them.

Somebody says, “Are we there yet?”

Nope, we still aren’t there yet. We’re still not finished with your story. It’s just...

NOT THE END!

#### ABOUT OUR OTHER LITTLE BOOKLETS

If you liked this story booklet, you might also like to have your mom or dad or grandparent, or any other friend who cares a lot about you, read for you the stories from some of my other little booklets.

On our web sites I have three or four series of these little booklets that older children, in particular, might like. There is one series of stories that are partly about the Native American Indians, for example, and another that is partly about the tribesmen of Africa. There is one series of little booklets that is partly about my own youthful travels in South Asia, a time when I spent several months visiting Nepal, India, and Sri Lanka.

There's also a series of little booklets called "Godly Warfare" or "Higher Battles" or "The Highest Service," which is all about Christian soldiers and how they can fight against the forces of Darkness. Those are mostly for teenagers and older folks, but I hope they can bless a lot of little children too, as they go through life, and as they keep on growing up.

All of my little booklets are partly about other stuff, but they are all mostly about Jesus and my Secret Friend.

## NOT THE END NOTES!

These little booklets were all written for you by Ken Street, a Christian believer of the great Lord Jesus, and by his Secret Friend. I'm a baptized follower of the Way of Jesus, and my Secret Friend was even there at the baptism of Jesus Christ!

**Jesus said,** "Let the little children come to Me, and don't try to stop them, because the Kingdom of Heaven is made of such as they."

*– Taken from the book of Matthew [19:14], written by a devoted follower of Jesus who was an eyewitness to the resurrection of Jesus.. After the torture of the cross, Jesus came back to life again! Matthew then saw Jesus many more times in His glorified new*

*Resurrection Body, along with crowds of up to 500 people. This continued for a period of 40 days after the Resurrection, as Jesus often returned to visit with them !*

**Jesus said,** "If anyone is tired and weary, struggling with heavy burdens on his back, let him come to Me, and I will give him rest."

*– Taken from the book of Matthew [11:28].*

**Jesus said to grown-ups,** "Truly I tell you, unless you are converted and become like little children, you cannot see the Kingdom of Heaven."

*– Taken from the book of Matthew [18:3].*

**That means your parents and other adults need to have childlike innocence**

and trusting hearts, so that they can see Heaven and someday live there with God for all of their eternal lifetimes. So please remember to pray for all of the adults around you, because sometimes the worries and troubles of this world make them forget to trust in Jesus.

The Bible says that the whole Universe was made through God The Son, but that

God's Enemy—the Devil—messed it all up. It was a perfect world at first, and Jesus wants it to be that way again.

That's why Jesus came to Earth as the Son of God and sometimes called Himself "the Son of Man." He was willing to lay down His life for His friends, just so He could start to get everything fixed for us.

Jesus is still busy, even now, working hard to get everything fixed and completely right again. It all gets fixed completely on some day that is still ahead of us, when Jesus comes back down to Earth again.

That happens in the future, when Jesus comes down from the sky and takes total control of the Earth. Then the whole world

gets a lot happier and a lot brighter, because then He becomes the Divine King of all the Earth!

*It's important for all of us to remember, as we pray and seek God's will, these simple facts:*

- 1) **WE SPEAK TO GOD** by our prayers.
- 2) **GOD SPEAKS TO US** by the words of Holy Scripture.

3) **TO HEAR GOD SPEAK TO US**, we must listen to His words and read His Book just as often as we possibly can !

*God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your struggle with the grace of His peace and the strength you need to keep going !*
